The Richard III Society

Founded 1924

Patron: HRH The Duke of Gloucester KG, GCVO

In the belief that many features of the traditional accounts of the character and career of Richard III are neither supported by sufficient evidence nor reasonably tenable, the Society aims to promote in every possible way research into the life and times of Richard III, and to secure a reassessment of the material relating to this period, and of the role in English history of this monarch.

Contents
